Her name is also added in the **HEIGHTS OF SUCESSS MAGAZINE -2024** as an **INTERNATIONAL WOMEN EDUCATIONALIST 2024**.

INTERNATIONAL WOMAN EXCELLENT EDUCATIONIST-2024

SOME Q&A WITH BHAWNA KATARIA:

Q1. How have you adapted your teaching methods in a post-pandemic digital world and online learning?
 Bhawna: "I've adapted my teaching by incorporating digital tools and online learning platforms. I use interactive content, virtual simulations, and gamification to engage students. I also focus on personalized learning and provide timely feedback through digital means."

Q2. What strategies do you use to create a positive learning environment and foster student growth and achievement?
 Bhawna: "I believe in creating a safe and supportive learning environment. I use differentiated instruction to cater to individual students' needs. I encourage active participation and critical thinking through group projects and debates. I also provide regular encouragement and praise to boost students' confidence and motivation."

Q3. What are the key factors that have contributed to your success as an educator?
 Bhawna: "I believe my success is due to my passion for teaching, my commitment to continuous learning, and my ability to connect with students. I focus on building strong relationships and providing personalized support to each student. I also stay updated with the latest educational research and practices."

Q4. How do you stay motivated and inspired in your profession?
 Bhawna: "I stay motivated by seeing the growth and success of my students. I am inspired by their curiosity and determination. I also draw inspiration from my colleagues and the educational community. I believe in the power of education to transform lives and create a better future."

Q5. What are the key takeaways you have learned from your experience as an educator?
 Bhawna: "I have learned that every student has the potential to succeed. It's important to be patient and provide the right support and encouragement. I've also learned the value of collaboration and teamwork. I believe in the power of education to create a better world for all."

Achievements, work done and inspiration:

- **2018-19**: Best Teacher Award
- **2019-20**: Best Teacher Award
- **2020-21**: Best Teacher Award
- **2021-22**: Best Teacher Award
- **2022-23**: Best Teacher Award
- **2023-24**: Best Teacher Award
- **2024**: International Woman Excellent Educationist-2024

Insights on inspiration: Schools should provide a supportive environment for teachers to grow and learn. Encouraging innovation and creativity in the classroom is essential for student success. Collaboration and teamwork among educators are key to creating a positive learning environment. Continuous learning and professional development are crucial for staying motivated and inspired in the profession.
